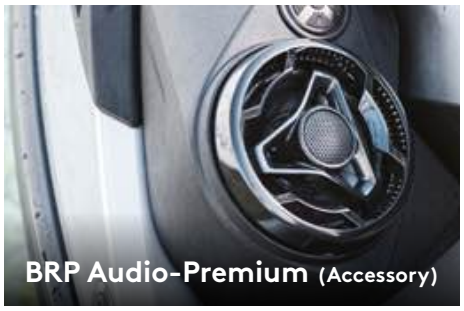
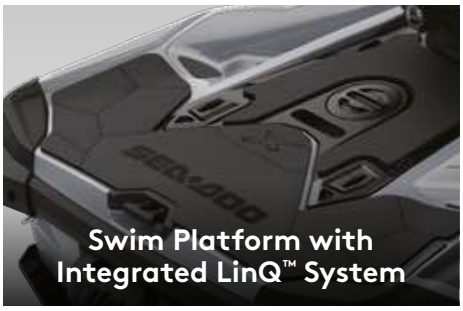
# RXT® 230

## Feature Highlights

Large front storage area that's easily accessible from a seated position.[1]



An industry-first manufacturer-installed, truly waterproof, Bluetooth‡ audio system.



Exclusive quick-attach system on the largest swim platform in the industry allows for easy installation of storage accessories.

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Waterproof and shockproof compartment specifically designed for phone protection.[2]
